

Burlington, Iowa Sewer Separation

Proposed recipient:

City of Burlington

Recipient address:

400 Washington Street, Burlington, IA 52601

Requested amount:

\$1,700,000

Explanation of request:

The requested funds will allow the City of Burlington to complete additional sewer separation and road work. The City of Burlington has funded a \$5.5 million sewer separation and road project but had to leave adjoining work off the project. The completion of this project will assist the City of Burlington in meeting the Iowa Department of Natural Resources Consent Order to separate combined sewers.
