The Honorable Tom Cole  
Chairman  
House Appropriations Committee  
H-307, The Capitol  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Burlington Cascade Bridge Project in Fiscal Year 2025. The entity to receive funding for this project is the City of Burlington, located at 400 Washington Street, Burlington, IA 52601.

The funding would be used to replace the deteriorated Cascade Bridge with a modern, safe, and functional structure while preserving its historical essence. The project is an appropriate use of taxpayer funds because it not only preserves our town's historical legacy but also enhances infrastructure safety and accessibility.

The project has a federal nexus because the funding provided is consistent with purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in cursive script that reads "Mariannette J. Miller-Meeks".
