Dear Chair DeLauro and Ranking Member Granger:

I am submitting a Community Project Funding request for the Forevergreen Road corridor in Fiscal Year 2023.

The entity to receive funding for this project is the City of Coralville, located at 1512 7th St, Coralville, Iowa 52241.

The funding would be used to improve transportation connectivity and mobility in Coralville and North Liberty by completing the final 1.3 miles of a 7.3 mile arterial street corridor between interchanges on Interstate 80 and Interstate 380. The completed street corridor will provide an important link to major employers and destinations throughout the metropolitan area including the University of Iowa campus, Downtown Iowa City and the University of Iowa Research Park while also providing easier access to and from Interstate 80 and Interstate 380 for all travelers.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Mariannette Miller-Meeks".
