The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Keokuk Area Hospital Priority Outpatient Services Project in Fiscal Year 2025. The entity to receive funding for this project is Keokuk Area Hospital, located at 1600 Morgan St, Keokuk, IA 52632.

Funding for this project will be used for facility improvements for the existing structure of the Keokuk Area Hospital to be able to offer outpatient specialty services in addition to emergency services. This would be a valuable use of taxpayer dollars because this area has not had a hospital since October 2022, and it has created a significant gap in safety and access to healthcare for Lee County. A rural emergency hospital with additional specialty service areas will improve health access and community outcomes.

The project has a federal nexus because the funding provided is for purposes authorized by 7 CFR 3570.63(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mariannette Miller-Meeks, M.D.
Member of Congress
