

Project Name: City of Maquoketa East Grove Utility Replacement and Street Reconstruction Project

Proposed Recipient: City of Maquoketa

Address of Recipient: 201 East Pleasant Street, Maquoketa, IA 52060

Amount of Request: \$4,754,120

Explanation of Request: The funding for this project would be used to revitalize the E. Grove Street corridor. The \$4.7 million project involves essential underground utility reconstruction and a full street overlay to address longstanding disinvestment in a federally designated Qualified Census Tract. While the City has committed to covering 20% of the cost, federal support is necessary to complete the work without placing an undue tax burden on rural residents.

Federal Nexus: The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).
