

Project Name: City of Williamsburg Water Distribution System Capacity and Condition Improvements

Proposed Recipient: City of Williamsburg

Address of Recipient: 210 W State St, Williamsburg, IA 52361

Amount of Request: \$733,125

Explanation of Request: The funding for this project will be used for replacing water mains in a residential area along Chatham Street in Williamsburg, extending from North Street on the north end to Welsh Street on the south end. The existing cast iron water mains are deteriorating and prone to corrosion and breaks due to age and condition.

Federal Nexus: The project has a federal nexus because the funding provided is for purposes authorized under Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).
